## CCBill Adult Business Expertise

### Leaders in Servicing Adult Markets: Agility, Discretion and Trust

The adult business marketplace is constantly changing and globally competitive. Even if you are benefiting from the current entertainment craze, opportunities are not endless. It takes innovation, as well as adaptability, to ensure you continue to capture and engage your online and mobile audiences.

Since 1998, CCBill has provided a proven solution for adult payment processing. Our all-in-one payments service platform layers nimble regulatory guidance, proactive risk mitigation, advanced fraud management, expert compliance support for content and legal issues, as well as discreet consumer privacy to enhance satisfaction.

CCBill is the recognized industry leader in global adult merchant accounts and business services. CCBill offers a complete package of dynamic support resources - all designed to help our merchants easily navigate the challenges of adult entertainment, content, and website management. We measure our success based on our ability to fully support our merchant's business and payment service needs.

With a steady focus on protecting against fraudulent transactions, our secure payment processing helps safeguard consumers and merchants from dealing with avoidable and unwelcome transactions, regardless of the adult or high risk business model. Balancing this intense scrutiny with payments expertise empowers the perfect blend of business management, billing automation, and growth support to reach a consumer who values discretion, privacy, and protection. When presented with a choice, consumers trust, and click CCBill first.

### Our all-inclusive adult business service can help you:

**Elicit instant trust.** Offer a secure payment processing option that millions of buyers already trust and prefer.

**Mitigate risk.** Protect your business from fraud with CCBill's responsive and predictive system.

**Customize your payments.** Instantly customize your globally responsive designed forms, including A/B testing of flow designs and custom payment cascades to shape your payment methods to suit your business' needs.

**Capture new customers.** Using CCBill's Merchant Connect network, it is easy to identify and work with other CCBill processing websites to drive more sales to your site – automatically paid out by CCBill.

**Reach a Buyer Network.** You get instant access to a global network of CCBill Pay buyers who are both pre-approved and pre-conditioned to buy from any CCBill website using FlexForms. .

**Set it and forget it.** Incorporate automated subscriptions, access management, and notifications.

**Achieve instant global growth.** International currencies, languages, and alternate payment options immediately reach global consumers on their local level for a localized experience.
